

Death of a Brave Man.

Dr. E. W. Dutcher of Prescott died Saturday from the result of burns received in a fruitless but brave effort to save the life of Mrs. H. T. Andrews on September 7, at the time of the burning of the Andrews residence. Until within a few days of his death it was thought that he would recover, but cerebro spinal meningitis set in and it speedily proved fatal. Dr. Dutcher was 50 years of age. He went to Prescott in 1892, and within a short time had gained the largest practice in the town. He was a good citizen and was foremost in every public enterprise. He was a Knight Templar. He leaves an invalid wife and two children.

Money Order Uses.

By a new ruling of the postoffice department the scope of the money order system has been widened. As a savings bank, at places where banks are not in operation, persons can temporarily deposit funds for safe keeping by drawing orders in their favor, which will be refunded on demand, or the order may be indorsed to another person. You can pay with them tradesmen and settle accounts at small expense with persons who reside at distant points. You can also use them in payment of gas bills, dues to organizations and in various other ways for about what it costs for a cheroot.
